

PepsiCo Global Palm Oil Supplier List, 2021

June 2021

This supplier list is current as of June 2021. The list reflects our supply chain-mapping effort and is subject to change as supply chain flows evolve on a regular basis.

We published a complete list of our direct palm oil suppliers and mills for the first time in 2018. These disclosures build on our practice since 2015 to disclose our top palm oil suppliers, currently AAK AB, Industrializados Oleofinos S.A. de C.V. and Wilmar International Limited. Seventy-one percent of our palm oil globally is currently supplied by the following 11 companies: AAK AB, Adani Wilmar Limited, Arma, Bunge Limited, Cargill Incorporated, COFCO Corporation, IFFCO International, Industrializados Oleofinos S.A.de C.V., Savola Group, Willowton Group and Wilmar International Limited.

Enhancing traceability plays a critical role in addressing deforestation and human rights challenges in the palm oil sector and we have welcomed the trend for greater transparency. In collaboration with our partners, we will continue to work to improve our palm oil supply chain. Our Palm Oil disclosure provides additional detail on the measures we have taken as part of our wider palm oil strategy to achieve a NDPE palm oil supply chain.
