

July through December 2020 Palm Oil Traceability - Mill listing

The following mill listing was self-reported by Hershey's palm oil suppliers and has been validated for accuracy by a third party. This information represents our current traceability for volumes purchased during the July — December 2020 time period and does not reflect the regular fluctuations in our supply flow. The list will be periodically updated to reflect the most current data and information as reported to or gathered by the company. Additionally, this mill list contains the names of all palm oil mills collected from Hershey's suppliers engaged during the reporting period via our traceability exercise. As a result, the list represents limit in the list represents limit in the periodically suppliers of the reporting period via our traceability exercise. As a result, the list represents on the list represents of the list of mills, whose product was not specifically sold to Hershey's pulse and suppliers of the reporting period and likely includes mills whose product was not specifically sold to Hershey's suppliers of members of the reporting period and likely includes mills whose product was not specifically sold to Hershey's pulse and suppliers of the reporting period will our traceability or present company. The list swill be periodically updated in the list will be periodically updated in the list

The U.S. Customs and Border Protection placed two Withhold Release Orders (WROs) in H2-2020 on FGV Holdings and Sime Darby Plantations. Both appear in this mill list due to volumes that may have been sourced prior to the WROs. Hershey has clearly communicated to our direct suppliers that compliance with the WROs is mandatory and we do not tolerate forced labor in our supply chain.
